

Booking Procedure

Bookings are made on a first come first served basis. Once you have decided to rent the villa it is best, to avoid disappointment, to have your booking confirmed as early as possible.

The first thing to do is to make a provisional booking, this can be done verbally or via email stating the dates you intend to travel and the number of people in your party. At this stage we will confirm if the dates are available and if so hold them for you long enough for you to complete the booking form and send funds for the deposit. Anybody else who enquires about the villa during this time will be advised that there is a booking pending but will be offered a booking form and will be next in line if you do not go ahead or if there are any unnecessary delays.

The booking form will be sent via email attachment or post if you do not have an email facility. It can be edited in Microsoft Word and returned via email. If you are paying by cheque please print a copy which should be signed and returned with your cheque for the deposit.

As soon as we have received the completed form and the cheque we will confirm a positive booking and will record it on the availability charts on the websites.

Directions to the villa will be forwarded to you if required and keys can be collected on arrival or sent to you via registered post.

The balance is due eight weeks prior to departure unless agreed otherwise. Please read our Terms and Conditions for further information.

If posting please return completed booking form to:
